ANNUAL ACTION TAKEN REPORT 2019-20

Workshops were conducted for teachers to facilitate the use of ICT tools, online teaching via video conferencing and e-materials.

Teachers also use different student centric methods for teaching learning such as Video conferencing like Zoom. E-resources are also increased in the library for enhanced learning of students.

Study material and related links of competitive exams along with e-books were also shared with students via Telegram.

Our Institution also envisions to strengthen the interest of the students in sports. Ground facilities are made available throughout the college time to students.

The institute ensures an eco-friendly campus for students. The students also participate in tree plantation to greenify the campus. Water conservation plant is also installed in the campus.

Led tubes are installed to decrease energy consumption
